Morning Route

Busses will collect students at pick-up points in the morning at the respective times. Students need to be ready and waiting for the bus. Drivers are instructed to keep to their schedules and to advance to the next pick-up point should students not be on time. Morning traffic is unpredictable and the Bus drivers will do their utmost to keep students/parents informed should anything unforeseen happen. We ask that parents also inform the bus driver timeously when students will not make use of the bus transport, or if they are running late.

Afternoon Route

Busses leave at 15:30 in the afternoon after all school activities have been completed. Sport and Cultural activities extending after 15:20 can unfortunately not be accommodated by the bus transport. Any student staying behind at school will be taken to our after care facility (after care rates are applicable), where parents can collect them after work.

Drop-off points in the afternoon will remain the same (Home address/Estate entrance) as far as it is practically and humanly possible. No primary school student may leave the bus if not collected by a parent/guardian/caretaker. We leave students in their care specifically with the understanding that there is supervision at home.

General guidelines and rules

- No “**caddy-type**” trolley bags/suitcases are allowed on our busses
 - It blocks the aisle when students have to exit the bus (huge risk during an emergency)
 - It cannot be stowed away (turns into a projectile when using the emergency brake)
 - We only have limited seating space available and they take up a huge amount of space
 - It damages the busses and tear the seat covers
- Students need to be **buckled up at all times** and no standing will be allowed
- Claiming any seat for yourself or friends is prohibited
- Pushing; shouting; bullying and hanging over seats will not be tolerated
- Always **respect** the bus driver and his/her requests
- Any misbehavior will be **reported** immediately
- Keep the bus **clean** at all times and please **do not litter**
- Making use of the bus is a **privilege**....not a right!!

Busses are co-ordinated by Birgit Serfontein and she can be contacted on her cell phone 083 443 2538, should you need to make any arrangements or have any other reasonable requests.
